CATHOLIC PROGRAM

Feast of Virgin of Guadalupe to Be Observed.

Today the loyal Mexican heart will beat with pitch fervor, for this is the anniversary of the apparition of the Blessed Lady of Juan Diego. This appearance of the Mother Mary in Mexico is fittingly observed by all Mexicans every year, and on this occasion the Mexicans of Corpus Christi have arranged a suitable commemoration at the Mexican Catholic church. The Rev. Juan Canals has arranged an excellent program, in part as follows:

At 6:30 a. m., mass for communions.

At 8 a. m., solemn high mass with the presbyter assistance, deacon and sub-deacon. The singing at this mass will be accompanied by an orchestra. The Rev. Antonio Busto, temporarily stationed at Kingville will deliver sermon in honor of the Blessed Virgin of Guadalupe.

At 7 o'clock in the evening treasury services will be held after which some of the younger generation will speak words suitable to the occasion.

Weather permitting, a procession will be formed, across which the Rev. Father Dunn will again preach. Rev. Father Dunn is an exceptional speaker, and his presence will no doubt command many auditors.

VADS GIVEN A TIP

Chief Biggs Promises to Arrest them as They Come.

Chief of Police Lee Riggs Sunday afternoon arrested three white men, who are claimed to be following the Carnival Company from town to town and who have no visible means of support other than beggar on the streets.

The men were placed in the county jail and a charge of vagrancy lodged against each of the three, who gave their names as John Sheridan, Chas. Wagner and Tom Garvin.

Each of the men arrested will be given a hearing before Justice of the Peace Whelan this morning at 9 o'clock.

Chief Riggs stated yesterday afternoon to a reporter for the Caller that he is trying his best to rid the city of undesirable characters who visit it during the winter months, and that he hopes to make Corpus such a warm place for hoboes that they will decide to give the city a wide berth during their migrations.

ANOTHER THEATER

California Man to Open Up-to-Date Picture House.

Plans were practically closed yesterday morning for the erection of a one-story brick building on Chaparral street to be leased as a modern picture playhouse to George Crowley.

Mr. Crowley has had considerable experience in entering to the amusement loving public, having for several years operated a highly successful chain of picture shows in Southern California.

In speaking of his plans yesterday he said that the new theater would be designed in the most modern style, having a seating capacity of 500 and a lobby equaling those of the better houses of San Antonio, Houston and Dallas.
